From Sue

Father’s Day
Over the next couple of days we will be recognising our dads and special men in our community:
- the Father’s Day Stall has been organised by Justine Tuffley, some lovely items will be on sale throughout the day tomorrow; the stall will set up in the school library. All classes will be timetabled to visit the stall. Children are requested to bring a named plastic bag to take presents home
- Beaut Blokes Day is happening on Friday morning of this week where dads and special men who have children in Grades F to 2 are warmly invited to visit classrooms and specialist areas and view the classroom program, assist with the learning and have some fun between 9 and 9.50am. Our dads and special blokes are warmly invited to a morning tea in the courtyard following the visit
- the Battle of the Boots is scheduled for Saturday 3/9 at 1.30pm at the Boss James Reserve in Bluff Road. This is an annual community event where the dads from Hampton Primary and St Mary’s play in a footy match that some have been training and preparing for very seriously indeed. One of our dads has been training so hard that he is now on crutches and will have to wait until next year to play! I wish all players the best of luck and hope there are no further injuries as a result of the game. Our Year 3 choir will be leading the singing of the national anthem to commence proceedings
- Father’s Day on Sunday is a time when all children can show their appreciation for dads and special men.

Casino Royale
Thank you to everyone who was part of Hampton Primary’s Casino Royale event! The Sandringham Football Club proved to be an excellent venue. We had 172 come along dressed resplendently to try their hand using funny money, catch up with friends, have some fun and support our school. There was much laughter and lots of storytelling throughout the night as community members tried their best to secure a bargain with the silent and loud auction items, some of which were very enticing. The event was coordinated by an enthusiastic team of parents who worked tirelessly to ensure everything went smoothly and the outcome was fruitful. My sincere thanks go to Sarah Rowley, Mary Cole, Jo Kwok, Caz Stremski, Alex Kelsey and Will Mc Gowan who were the driving and very resourceful force behind the event. The generosity of spirit evident in this team in relation to time and organisation paid dividends. The profit generated is very close to $20,000 which is an outstanding result. All of this money will be going towards the refurbishment of the school toilets.
I acknowledge the very generous support provided by our major sponsors:
- Marshall White Brighton
- Rowley Estate (Steve Rowley)
- Watershed (Adam Rowley)

Heartfelt appreciation goes to those who donated items for the loud auction:
- Bart & Caroline Stremski
- Freedman, Langhorne & James Travel Associates
- ACE Car Parking
- Victoria Golf Club
- Fazio’s
- St Kilda Football Club

Brighton Jaguar & Land Rover kindly donated the Leader Board Prize (Congrats to our overall winner for the night)

Robin Parker and Andre O’Brien, were impressive and highly effective auctioneers from Marshall White Brighton who certainly generated much interest and hilarity in conducting the live auction.

Sandra Yeowart, from Cartridge World donated a printer for the Silent Auction and our raffle prize for the business card draw, but also volunteered her time on the night to print out selfies, thank you Sandra!

The team from Royal Casino Events, led by Joe, and the helpful staff at Sandy by the Bay enabled this event to progress smoothly and with everyone present enjoying the ambience, the opportunity to have a flutter and catch up with friends.

I am most grateful to the community members who attended this event and supported our school. I encourage our community to support the sponsors for this event. They have provided outstanding support for our school, so let’s support them!
Grounds Development
During the Term 3 holiday period we plan to have the stage area in the quadrangle removed as the timber is becoming worn and will be replaced with concrete. This will be a far more practical surface and much easier to clean and maintain.

Early in Term 4, the Buildings and Grounds team will be reviewing plans for further greening of the garden areas around the school. We want to ensure that shade is a big factor for future plantings – particularly around the oval. Plans for a sensory garden at the front of school are being developed at the moment. We are also contemplating the development of another sand pit area as this is a very popular activity for younger children.

School Readiness Hearing Screening
There will be school reading hearing screening program conducted in the BER building at our school this Saturday from 8.45am until 4pm. This is a free program and is being organised with support from Hampton Rotary, Bayside Council, Melbourne University and Hurlingham Preschool. See the flyer later in the newsletter for more details.

Assembly Performances
Thanks go to 5/6C, Eucalypts who led the singing of the National Anthem at assembly yesterday. Our musical item featured Allister Jones from 5/6F, Red Tingle playing “Jelly Bean Rag” on keyboard; this performance would have assisted Allister with his preparation for the AMEB examination.

Academic Excellence
Congratulations go to the following students who received an academic excellence award at assembly yesterday:
♦ Mietta King from 2D, Manna Gums for making excellent progress in reading and writing where her opinions are expressed clearly, arguments are described convincingly and at times persuasively
♦ Lachie Nolan from 2D, Manna Gums for showing an enthusiastic approach to all number activities demonstrating a capacity to think quickly in mathematical situations.

Sporting Excellence
Congratulations go to Dylan Unkles from 3B, Ironbarks who won a gold medal at the 2016 Australian Taekwondo Championships on the weekend. He competed in the 9 year old Black Belt category and won the gold medal fight 12-1. He has been training hard and was really excited with the result. This is an impressive achievement for Dylan!

Connor Olivier from 5/6E, Wollemi competed at the state championships in lifesaving on Sunday. He finished with 3 gold medals, 3 silver medals and 1 bronze medal; in doing so he broke two state records! Congratulations Connor on your outstanding achievement!

In addition, Savannah James from 2B, Peppermint Gums and Kate Morrison from 3D, Silver Mallee competed in the championships, both earning a bronze medal. Congratulations to Savannah and Kate!
**Art News**

Last Friday, some of the Foundation students were very fortunate to have a surprise session with author, illustrator and artist, Alison Binks. Alison has just published her first children’s book called *Caspar and the Night Sea*. The students listened intently to Alison tell the story, then talked about how she had made her pictures. Alison very kindly stayed for the messy part where the students used blue, white, green and purple acrylic to paint the sea and sky at night. Next week the students plan to add themselves sailing in a tiny boat on their way to see the whales!

Bayside City Council on 9599 4755
LIBRARY NEWS
Inspired by a childhood favourite book Caps for Sale, which now has a sequel, More caps for sale, our library display is MONKEY BUSINESS. We hope you enjoy our range of fiction & information books including: Monkey puzzle, Two many monkeys, 100 facts Monkey & Apes, Mang the wild orangutan and Gorilla Grab.

CHILDREN’S BOOK COUNCIL OF AUSTRALIA AWARDS
As expected our range of new award winning books have proven very popular, they will now be on the new book shelves.

The Spring edition of “What’s on at Bayside Library Service” is now available and includes the upcoming holiday program.

OVERDUE BOOKS
We still have some overdue books from Term 2 and would appreciate these being returned. Often these books are requested by other students so your help in getting them back would be greatly appreciated.

- Each class has been allocated a time to attend the Fathers Day stall
- Please bring a NAMED bag to take your presents home.
Kingston Youth Services proudly supports:

The Resilience Project: Teaching Resilience at Home (for Parents) with Hugh van Cuylenburg

7pm - 9pm Thursday 15th September 2016
THE DINGLEY INTERNATIONAL HOTEL
334-348 Boundary Road, Dingley 3172

Hugh conducts and delivers emotionally engaging programs in schools for students, parents and teachers. His firm provides curriculum for schools accompanied by teacher resources to strengthen young Australian's mental health and wellbeing. As well as this, his organisation measures student wellbeing before, during and after their programs. The Resilience Project uses evidence-based approaches to building resilience, in order to develop mental health.

Hugh and his team will join local City of Kingston parents to offer a dynamic presentation that will provide parents with practical information and strategies for building resilience at home. At this evening session parents will learn the value of gratitude, empathy and mindfulness in positive mental health.

To register for this FREE Event head to:
https://resilience-at-home.eventbrite.com.au

For more information about this event please contact the Kingston Youth Services team on 1300 369 436

SCHOOL NURSING PROGRAM
SCHOOL NURSE VISIT

Erica McWilliams your visiting primary school nurse from the Department of Education and Training will be attending the school during term 4 to conduct the Prep grade health assessments.

The purpose of the visit is to provide all Victorian children with the opportunity to have a health assessment to link children, families and the school to relevant community services; and provide information and advice that promotes health and wellbeing.

All preps will be given a questionnaire to take home and complete. Please complete and return to the school asap.

If you do not wish to be assessed by the Visiting Primary School Nurse please tick the non consent box in page 1 and sign and return to the school.

If you have concerns relating to a child in Years 1-6 a School Nurse Referral Form will need to be completed. Please speak to your class teacher who can assist you with this. The School nurse can then contact you regarding your concerns.
