The parking inspector regularly inspects the 2 minute pickup area and if you exit your car for any reason, even to open a boot you will be booked.

The 2 minute zone is only for parents whose children are old enough to exit the school by themselves. If you need to enter the school to collect your child you must park in an appropriate parking place.

The staff carpark is not to be used by parents, either during the school day or for parking and dropping children to afterschool activities.

Thank you for your co-operation.
