ENTERTAINMENT BOOKS

You can also order online.

KISS AND GO and STAFF CARPARK

The parking inspector regularly inspects the 2 minute pickup area and if you exit your car for any reason, even to open a boot you will be booked.

The 2 minute zone is only for parents whose children are old enough to exit the school by themselves. If you need to enter the school to collect your child you must park in an appropriate parking place.

The staff carpark is not to be used by parents, either during the school day or for parking and dropping children to afterschool activities.

Thank you for your co-operation.
ART SMART

Art Smart is an extra curricular fine art class held every Thursday during school terms with two class slots from 3:35 – 5:00pm and 5:05 – 6:30pm catering for all ages and skill levels.

This term our Art Smart students have had a wonderful time creating artistic masterpieces exploring the works of the impressionist, post-impressionist and modernist artists. Focusing on the natural world and the figure, students learnt about traditional and non-tradition figure drawing techniques (axis symmetry, gesture lines, contouring) and various drawing/painting/mark-making techniques on a range of mediums including how to create 3d textured surfaces. We also learnt about printing and created amazing sculptures, learning about armatures and form using mod-rock and clay!

Any queries about the after school art classes please call 0438013005

Students applied their newly acquired traditional figure drawing techniques to create fabulous portraits of their fellow classmates.

We celebrated Autumn with our 'Curtain of Leaves' project applying their new block and mono printing techniques to build a textured layer on semitransparent paper in preparation for framing and illumination.

Showing off some seriously skilled plaster sculpting techniques with their Modigliani sculpture inspired works!
