Mental Health Foundation of Australia

Resilience Mental Health & Wellbeing Initiative

We provide education programs for promoting positive mental health, prevention of mental illness and the services for good health created by

We encourage organisations, individuals and community groups across Australia to use our resources to support projects including: resilience building, mental health awareness, education sessions, mental health information and support.

Service and Mental Health Week

Our resilience program is assisting the community to establish a resilience "mindset" and culture for the support of children 0-13 years in gaining strong mental health and resilience in dealing with start challenges.

The Foundation's fundraising includes donation, sponsorship by the community and corporate sector and corporate provision of information and support, particularly to schools and sectors in need of mental health support.

For further information contact the Mental Health Foundation of Australia admin@mentalhealthvic.org.au or Ph 03 9826 1422.

Music Count Us In
Here we go....
Next week (Thursday 12.30) is our whole school singalong
Hundreds of schools throughout the nation are singing the same song on the same day at the same time!
The students are to dress in Gold (yellow would do) or Gold hair spray or Gold face-paint.
We are asking our preps to have a piece of gold material roughly 30X30 to wave as a scarf during the chorus!
GOLD coin donation on the day will fund a music therapy program for dementia sufferers as seen in the recent Bayside leader article.
I have invited the Chanel 7, 9, 10 news to come and film us and fingers crossed they will attend!!
If it is fine weather we’ll be in the quad and parents are welcome to view from upstairs, but if it’s inclement and we are in the BER we cannot accommodate parents so we’ll film it and put it on the blog.
Parents who do not want their child to be filmed should contact the school by Monday 4pm.
Here is the link to watch and listen to the song!
