School Leaders

Yesterday at assembly we announced the following leadership positions:

School Captains: Hamish Allan from 5/6A, Wattles; Jaime Annear from 5/6A, Wattles
Youth Ambassadors: Joshua Boulton from 5/6E, Wollemi; Bella Seward from 5/6B, Casuarinas
Music Captains: Elise Bergman from 5/6E, Wollemi; Lachie Briggs from 5/6B, Casuarinas
Band Captains: Jack Olivier from 5/6A, Wattles; Isabella Warner from 5/6D, Sassafras
Peacemaker Leaders: Charlotte Adlington from 5/6E, Wollemi; Ryan Allan from 5/6B, Casuarinas
Friendship Captains: Joshua Boulton from 5/6E, Wollemi; Eliza Planincic from 5/6F, Red Tingle
Art Captains: Harshini Pokala Kumari from 5/6F, Red Tingle; Charlie Boyle Bryant from 5/6D, Sassafras
ICT Captains: Tom Smart from 5/6C, Eucalypts; Mia Nixon Smith from 5/6B, Casuarinas
Environment Leaders: Cooper Maher from 5/6C, Eucalypts; Juliet McLean from 5/6E, Casuarinas

House Captains:
Bradman Lucy Delaney from 5/6F, Rd Tingle; Dom Frederico from 5/6D, Sassafras
Kilborn Alex Seddon from 5/6C, Eucalypts; Lachie Reynolds from 5/6F, Red Tingle
Fraser George Aivatoglu from 5/6F, Red Tingle; Rebecca Elliott from 5/6B, Casuarinas
Laver Matt Tesfai from 5/6B, Casuarinas; Megan Carter from 5/6A, Wattles.

I acknowledge that a number of Year 6 students are understandably feeling disappointed having shown courage and initiative in applying for the positions without success. There will be plenty of additional opportunities for our aspiring leaders to engage with peers and younger students demonstrating leadership throughout the year.

I extend sincere congratulations to the leaders appointed yesterday and wish them a happy and rewarding year ahead.

Level Based Parent Information Evenings

This year each level (Yr1 – Yr5/6) in the school will be holding a Parent Information Evening. (Prep/Foundation staff will meet with parents at a later date). You are encouraged and warmly invited to attend the appropriate level meeting(s) which will be presented by the teaching staff at each level.

It is anticipated that the session will run for about 40 minutes which will include a presentation by staff as well as an opportunity for you to ask any questions you might have or to clarify anything you might be unsure of. If you have not met your child’s teacher, this would be the perfect opportunity to do so. This would also be a good opportunity to take a moment to let staff know of any special needs or particular concerns you have about your child. Session details are as follows:
Monday 17th February
Yr1: 6.00 pm Shared Learning Space
Yr4: 7.00 pm BER

Tuesday 18th February
Yr2: 6.00pm Year 2 Classrooms

Wednesday 19th February
Yr3: 6.00pm Shared Learning Space
Yr5/ 7.00pm BER

This is an excellent opportunity to familiarise yourself with the staff and happenings at your child’s new level. We look forward to your attendance.

School Council Elections
Community members are reminded that the School Council election process will commence on Friday of this week with the calling for nominations for council. Nominations forms can be obtained from the school office on 14 February and must be returned by Friday 21 February at 4pm. Further details are found below.

Sports and Fitness
The children in Foundation (formerly known as prep) recently started the ‘I Can Dance Program’ conducted in the school hall. This program is a popular one and the children thoroughly enjoy the opportunity to move to music. This can be quite a challenge for some, however even after 2 sessions, we can see the improvement in confidence, awareness of space and a capacity to move in synchrony with others.

Today a new before school basketball program started for our Year 1 students. Simon Buckley who is the father of Vivienne and uncle of Lucia and Giselle Buckley, organised for the children to be introduced to the skills of dribbling, passing, and shooting in small groups. They followed the skill session with a practice game. Quite a few parents kindly volunteered to assist and provided great encouragement and guidance to the children. Many thanks go to Simon for his time and resources devoted to this initiative and to the parents who provided practical assistance. There was a delightful atmosphere of productive activity on the asphalt before school.

In addition we had over 30 children taking part in the fitness session on the oval before school conducted by Mark Stafford. This is a great way to commence the day in elevating the heart rate. Commencing the day with some vigorous activity leads to improved concentration in the classroom for many children. The dance, basketball and fitness programs will inevitably improve coordination and fitness, the social element involved in the activities is also very beneficial.

Buildings and Grounds Update
Our 2014 year is going to be a busy and productive one. Projects will include:

- The completion of the refurbishment of the toilets in the arts building
- The repainting of the school toilets (preparation of walls and painting will start this weekend)
- Repairs to plaster and painting in the upstairs foyer of the main building and the arts building
- The installation of air conditioning units in three offices in the main building
- The establishment of a strong connection with residents from Bayley House to work in conjunction with our students on the sprouts garden
- The re-surfacing of the entrance to the school (Hampton Street entry)
- The installation of a hard court area between the BER building and the school oval.
We are very keen to address the area to the east and north of the BER building, the surface is high use and hard court space is in strong demand. We intend to fence this area which means that balls will be contained and activity in this area will not impact on sports activities and games on the oval. The development of this area will maximise the play space for the children which is exciting. This particular project will be costly; the school has allocated significant funds for this specific project; however we will also need to allocate some locally raised funds to bring the project to fruition. With this in mind, see the two items in the following pages relating to fundraising opportunities that will generate funds for the school.

School Council Elections 2014

What is a school council and what does it do?

All government schools in Victoria have a school council. They are legally formed bodies that are given powers to set the key directions of a school within centrally provided guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

Who is on the school council?

There are three possible categories of membership:

- A mandated elected Parent category. More than one third of the total members must be from this category. Department of Education and Early Childhood Development (DEECD) employees can be Parent members at their child’s school as long as they are not employed at the school.
- A mandated elected DEECD employee category. Members of this category may make up no more than one third of the total membership of school council. The principal of the school is automatically one of these members.
- An optional Community member category. Its members are appointed by a decision of the council because of their special skills, interests or experiences. DEECD employees are not eligible to be Community members.

The term of office for all members is two years. Half the members must retire each year, creating vacancies for the annual school council elections.

Why is Parent membership so important?

Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school.

Those parents who become active on a school council find their involvement satisfying in itself and may also find that their children feel a greater sense of belonging.

How can you become involved?

The most obvious way is to vote in the elections, which are held in Term 1 each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.

In view of this, you might seriously consider

- standing for election as a member of the school council
- encouraging another person to stand for election.

Do I need special experience to be on school council?

No. What you do need is an interest in your child’s school and the desire to work in partnership with others to help shape the school’s future.
**What do you need to do to stand for election?**

The principal will issue a notice and call for nominations following the commencement of Term 1 each year. All school council elections must be completed by the end of March.

If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent category.

DEECD employees whose child is enrolled in a school in which they are not employed are eligible to nominate as parents for the school council where their child is enrolled.

Once the nomination form is completed, return it to the principal within the time stated on the notice of election. You will receive a Nomination Form Receipt in the mail following the receipt of your completed nomination.

If there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.

**Remember**

- Ask at the school for help if you would like to stand for election and are not sure what to do
- Consider standing for election to council this year
- Be sure to vote in the elections.

Contact the principal for further information.

**Filming in the School Library**

The ABC will be doing some filming in the School Library Thursday 20 and Friday 21 of February. The scenes to be filmed will include two well-known Australian actors in Justine Clark and Claudia Karvan for the mini-series, ‘The Time of our Lives’. The Library will be unavailable for borrowing on these two days and the children will be asked to play a short distance away to minimise the noise. The school will receive a rental fee for this period.
THE EASIEST $20 YOU’LL EVER RAISE FOR OUR SCHOOL!

The Victorian Electoral Commission is shooting a training film at Hampton Primary on Saturday, March 29, showing what it’s like to work in a Voting Centre and they need at least 120 voters (ie people over the age of 18) to make the film authentic. If you can spare one hour between 2pm and 5pm to be a voter in the movie, the school will receive $20. How easy is that?

To participate, register on-line at www.trybooking.com/74833 by February 28 and you will be contacted with further details by the film company “Unreal Films”. Why not ask grandparents and neighbours if they’d like to participate and register them too?

If 120 voters from the school community register and attend, then that’s $2,400 for the school!

For more information, contact Jill Esplan on 0411 284 250.

Music News
Thanks you to the many students who were a fantastic audience at our Red Notes open demonstration day. Many students have decided to take up another instrument and some have decided to start a second instrument. We even have 2 students who are taking up the euphonium and the bass guitar! We have never taught these at HPS before. (See the ad in this newsletter regarding the instruments available to learn)
We have many students starting piano for the first time and I am delighted to welcome them!
Drumline Lessons: 2 spaces available. Drumkit Lessons: 2 spaces available
Our Grease bookings close on the 12th and no further tickets are available. Our excursion is for year 4 5 6 on March 19th from 12-4.45 pm.
I have come across 2 interesting music items to share. The first is an amazing project in South America (Paraguay) where instruments are made from old bits of rubbish found at a landfill. The orchestra is amazing and a really inspirational clip to watch. Thanks to Sarah Morris parent of Amelie and Nicholas Page for the clip!

Children and hot cars. No exceptions. No excuses.
The Department of Education and Early Childhood Development (DEECD) has circulated to all schools the importance of heat exposure in regards to children. On hot days, it is important to remember that children should never be left alone in a car. The temperature inside a car on hot days begins to rise as soon as the door closes and within minutes the temperature inside can double the temperature outside. Leaving children in hot cars – even for a moment - can result in injury or death. Young children’s smaller body size and underdeveloped nervous system places them at a much greater risk of life-threatening heatstroke, dehydration and other serious health risks. Victorian legislation makes leaving a child unattended in a car a criminal offence, with penalties ranging from large fines to prison. Exposure to abnormal or prolonged amounts of heat and humidity without relief or adequate fluids can cause various types of heat related illnesses. Children adjust more slowly than adults do to changes in the environmental heat and are more vulnerable to heat related illness. Children produce more heat with activity and sweat less. Sweating is one of the bodies normal cooling mechanisms, so children can become overheated easily. If you are travelling with a child in a car and you need to get out, make sure you take your child with you. No exceptions. No excuses. For more information visit the kidsafe website. Stay healthy Susie and Jo (School Nurses).
LIBRARY NEWS
Welcome back to school & hope everyone had a great holiday.
We look forward to meeting all the new preps and other new students to the school.

THEME OF THE WEEK
Each week Alison selects a collection of books for display on the table by the windows.
This week is about CRICKET. Pop in and have a look but you might need to be quick, they are moving faster than Mitchell Johnsons bowling.

OVERDUE & LOST BOOKS
We still have some overdue and lost books from 2013 which we would love to find. We will be checking all the library shelves and would love you all to check around home in case they might be hiding somewhere there.

IF YOU WENT TO AN EVENT WITH A LITERARY BENT SUCH AS:
Angelina Ballerina – the Mousical, The Cat in the Hat, The Wind in the Willows or enjoyed a visit to a library over the holidays be sure to pop in and tell us about it.

BOOK REVIEWS:
We would also love to hear about the books you have been reading, maybe you can write a review & drop it in and we can display it in the library and put it in the newsletter.

HAPPY READING

AFTER SCHOOL CARE BY CAMP AUSTRALIA
Welcome Back To Term 1 2014
The team at After School Care had a great first week, catching up on holiday stories from the children, seeing some familiar faces and meeting some new children. I would like to extend a warm welcome to all the new families that have signed up with Camp Australia.

To get the ball rolling in the first week we did many exciting activities as requested by children such as cooking pizza, jewellery making and painting. The children also explored the Chinese culture through Chinese New Year and looking at their Zodiac signs. Many children were very excited to play with some new toys such as construction blocks, bowling set and toy cars.

This week we are working to establish our nature area again with the addition of new plants and art work as created by the children. We will also be introducing new monitors for a range of duties in before and after school care.

Stay tuned for next weeks Hampton OSHC Legend of the week!
New families are always welcome Monique, Anne and Jordyn
FOCUS ON FITNESS

Dear Parents and Students

During term 1, 2014 Hampton Primary School, in association with Marc Stafford Personal Training, will be providing exercise and training before school for all parents and students in GRADES 3-6 that wish to participate.

Marc and his team of personal trainers will be conducting lessons from 8:15-8:45 every WEDNESDAY morning. You will need to be at school at 8:00am. The focus of these lessons is to understand body movement and strengthening exercises. Marc on occasions will also bring in his nutritionists a few times a term to talk about the best type of foods to eat and how to prepare them.

The first Personal Training session will commence on WEDNESDAY 12TH FEBRUARY on the School oval.

This service is being provided to the parents and students of Hampton Primary School at no charge so please take advantage of this offer.

I will be participating in these training sessions as well as supervising the students who are at school at this time. This will include the students who are participating by themselves, however a signed permission slip must be returned to me.

If you would like to take advantage of this opportunity provided by Marc and his professional trainers please fill out the form and return to me by MONDAY 10th FEBRUARY 2014.

Kind Regards
Paul Harris & Rob Giabardo
I give permission for my child to attend the personal training sessions on WEDNESDAY mornings during term 1, 2014 held on the oval at Hampton Primary School.
In the event of illness or injury to my child, I authorise the teacher in charge of the session, where it is impractical to communicate with me, to consent to emergency medical arrangements/treatments on my behalf as are deemed necessary. I agree to pay all medical, hospital, ambulance and other expenses incurred on behalf of my child.
