We still have 1 additional parent and teacher vacancy to fill by co-option and these two positions will be finalised at the next council meeting held on 15 March.

I will include a report on our retiring councillors once the co-options have been finalised and announced.
Yesterday at assembly our School Captains and Youth Ambassadors introduced our 2016 SRC representatives for 2016. Jack Tuffley, Ruby Wilson and Ollie Horigan provided a short synopsis on the focus of the council which essentially is to provide a student voice and encourage children to become interested and involved in community projects. They also mentioned the role of a representative and assisted with the presentation and pinning of the badges. I extend congratulations and warm wishes to each of the representatives who were selected by their classes using a vote. This year the SRC will be meeting regularly and will be coordinated by Michelle Kahui.

2016 Peacemakers

Children in Year 6 were invited to express interest in being trained as a peacemaker earlier this year. The training program was conducted recently by Michelle Kahui and focused on the following skills of peacemaking and conflict resolution including:

◊ acceptance of self and others
◊ the ability to communicate with others, including the use of "I Messages"
◊ acceptance of feelings (one's own and others')
◊ the willingness to compromise and seek "Win/Win" solutions
◊ the process of affirming (acknowledging positive qualities in others)

Congratulations go to our peacemakers who were introduced to our community at assembly yesterday and received their badges:

Acknowledging Student Achievement
School assemblies are an important part of school, the 30 minutes assembly is the one time in the week when the entire school comes together. This is an ideal time to reinforce pertinent messages, celebrate and or acknowledge talents and achievements and to affirm and or model values and expectations. Acknowledging Saturday and Sunday activities with sports cannot be done at assemblies, we do have a very large number of children participating in a wide variety of sports, many at an advanced level. There is simply insufficient time to recognise everyone; our focus is on sporting, cultural and community activities and initiatives that are conducted at school. There may be an occasional special exception.

If parents wish a special achievement, activity or initiative to be noted, please provide a written summary which can be emailed to the school for inclusion in the newsletter, a perfect example is shown below.

Sporting Excellence
Congratulations to the following students for their excellent performances at the Little Athletics Southern Regional Championships last weekend. These children displayed considerable talent and determination. Little Athletics is a very popular sport and many children develop and end up competing at a high level of competition. Many of our students have qualified to compete at the Little Athletics State Championships to be held later in March.

LIBRARY NEWS
Do you love a good MONSTER story?
Alison has been on a hunt this week and found a few on our shelves including: Where the wild things are, What’s a bunyip? Tashi & the mixed up monster, Rekkar the screeching orca,
A monster wrote me a letter, Freak out! Percy Jackson series and Deltora Quest. Come in and catch yours before they run away.

HOUSEKEEPING
Please take care of all books borrowed and treat them gently. If books are lost, damaged or not returned, the school will require reimbursement to be made. Our budget is limited and all our resources are precious and some books are very popular. We have had some returned recently water damaged which limits their use by others.

With 700 students the library is a busy place and we would appreciate everyone helping to keep it tidy.

😊Thank you😊
