Welcome
Our school year has commenced calmly with the 28 classes all settling well. School enrolments have increased from 2013; our total is now 646 children including:
Foundation – 109, Year 1 – 104, Year 2 – 82, Year 3 – 89, Year 4 – 97, Year 5 – 74 and Year 6 – 91.
I extend a warm welcome to all new families and trust that their transition to Hampton is a happy and positive one. I also welcome back existing families and hope that everyone had a relaxing and refreshing break over the Christmas and January period.

All grades have been immersed in ‘start up’ activities over the last few days. This program focuses on the teachers establishing a positive tone and classroom climate and ensuring that norms, expectations and responsibilities are made explicit to the children. We place great emphasis on building a happy and harmonious school environment at Hampton, to achieve this it is essential to have children growing in independence and resilience as they progress through school.

The Fundraising Committee is planning two social events for February one focusing on new families and of course all prep families and the second will be a movie night on the oval. Details will be distributed shortly.

Staffing
This year we had very few changes to our staffing. Welcome back to Tim Bernau and Melissa Fisher who resumed from leave. Tim will teach Year 5/6 and Melissa will work in Year 2 for one day each week. We have 5 new teachers – Jen Sze in 1B, Will Nevill in 1E, Rhys Thomas in 3C, Alicia Blundell in 5/6F and Deb Hanson in PE. I extend a warm welcome to Jen, Will, Rhys, Alicia and Deb and trust that they will have a smooth start at Hampton.

Whilst the great majority of our teachers are full time, a small number are working part time. Our teaching team for 2014 includes:

Information Meetings
Teachers in Years 1 to 6 will be conducting information meetings in the week beginning Monday 17 February. These meetings will provide an opportunity for parents to meet the teachers and to receive an overview of the curriculum and school programs for the year. In addition, classroom expectations, student welfare and behaviour management will be covered. I encourage all parents to attend the sessions. Further details will be distributed tomorrow.

Konnective
The great majority of parents have taken advantage of this communication tool. It can be downloaded at no cost from the app store to any smart phone – this includes iPhone and android models. Your email needs to be registered and then you select the appropriate feed. Reminders and important messages can be sent to parents either at a year level for example for a Year 1 excursion or the whole school - for example to remind parents of the starting time for the art trail. I strongly encourage the remaining families who have not yet connected to do so.
**School Council Elections**

School Council elections will be held during February and March. All councillors except the principal have a two year term of office. The principal is the executive officer of the council and therefore has ongoing membership. Hampton has a council comprising 15 people: 8 parent members and 5 Department of Education and Early Childhood Development (this includes the principal) and provision to co-opt two community members. In order to ensure that school organisation has continuity and important decisions are made as required, half the council turns over each year. This means the school would always have some councillors who have at least one year’s experience on council.

We have vacancies for four parents, one co-opted member and two teachers (or Department of Education and Early Childhood Development members). School Council meets once a month with the meetings going for approximately two hours. In addition, school councillors are asked to serve on one committee. Committees usually average one meeting a month and are required to report to council regularly. We have the following committees in operation: Buildings and Grounds, Education, Finance, Fundraising and Canteen. From time to time additional working parties are established as required. For parents who have an interest in education generally and a commitment to Hampton, we would welcome your input on council.

Nomination forms will be available from the school office on the 14 February.

The following councillors’ terms expire in March 2014:
Andrea Douglas, James Buckley, Kirsty Reynolds, Melinda White, Fiona Wilson, Anne Coburn and Sharon Dowling.

The remaining councillors’ terms expire in 2015:
Tim Branson, Shaune Jackson, Caroline Muller, Kylie Jones, Heidi Bergman, Robyn Farnell and Simone Tickell.

**Student Leadership**

Over the last couple of days I have been very busy interviewing aspirant leaders from Year 6. Joy Brebner and I have carefully considered written applications and responses at interview for over 60 keen Year 6s. The positions available include: school captain, youth ambassador, house captain, art, music, environment, ICT and peace maker captain. Generally the children presented confidently and were well prepared. The house captain positions also include a student vote. The leadership positions will be announced next Tuesday 11 February at assembly. I extend my best wishes to all the Year 6s who applied.

**Camp Australia Leadership Award**

Our school has had a positive relationship with Camp Australia which coordinates the out of school hours’ childcare program. Jo Petraitis, the Regional Manager from Camp Australia presented an inaugural leadership award to **Kieran Christou** from 5/6C, Eucalypts at the final assembly for 2013. Kieran has displayed outstanding leadership and initiative in the area of ICT. He has a passion for all matters relating to technology and has applied this enthusiasm to support both teachers and children in the BER with organisation, set up of equipment, trouble-shooting technical problems often being very generous with his time at lunchtimes etc. His positive approach and willingness to give things a go has been most impressive indeed. Congratulations Kieran!
Congratulations to both Jonah Campigli and Amber Louw who competed in the Little Athletics State Multi Event on the weekend. Jonah came 6th in U10 boys and Amber came 4th in U9 Girls. Well done to both competitors!!!

Assembly Performances
Yesterday our preps attended their very first assembly at Hampton; they walked down the red carpet carrying red and green balloons to thunderous applause from the rest of the school and assembled on stage to release their balloons. Momentum built with the count down to the release and then there was much excitement watching the children’s faces and the balloons soar. I extend a warm welcome to all prep children including Prep A - Blue Gums, Prep B – Yellow Gums, Prep C – River Red Gums, Prep D - Ghost Gums and Prep E - Snappy Gums!

VOLUNTEERS NEEDED!

To run the Snack Shack, 
we need YOU!

We bake everything on site and make all 
the fresh sandwiches, wraps and rolls, hot 
pasta and Toasties each session too. The 
Snack Shack is genuinely a place where 
you can feel connected to the school 
community, without it being too onerous. 
Some volunteers can’t do the full couple of 
hours and it’s fine if you need to arrive a bit 
late or leave a bit early. We are mothers at 
the school too - so we do understand. 
Anyone who is prepared to give some of 
their precious time to us is greatly 
appreciated! Even just once a term - it’s 
easy, fun, and your kids get such a kick out 
of seeing you in the canteen.

If you think you can spare a few hours a 
term and would like to join the team 
please Contact us via e-mail

with any questions or offers of help!

Thank you to our new parents who have 
already joined the team - Welcome

Dear Parents,

Anaphylaxis is a severe, rapidly progressive allergic reaction that is potentially life threatening. The most common food allergens in school aged children are peanuts, tree nuts, eggs, cow’s milk, fish and shell fish, wheat, soy and sesame. There are a number of students in many classes who suffer from life threatening allergies to insects/bites stings and various foods and that can cause anaphylaxis. It is important to understand that some children can become seriously ill by eating or simply coming in contact with these foods.

As a school we are asking you to avoid sending **nut and nut products** within your child’s lunch or play lunch. This support will be extended to excursions and class parties when they arise. We appreciate that these restrictions can cause problems for some parents as some children can be fussy eaters, however the health and safety of all students must be considered for all of us.

All schools have a duty of care to each and every student. The key to prevention of anaphylaxis is knowledge of students at risk, awareness of triggers (allergens) and prevention of exposure to these.

The Victorian Government’s Anaphylaxis Guidelines came into effect July 2013 and Hampton primary School Anaphylaxis Policy can be accessed on our website. If you have any questions or concerns, please contact the school nurses.

Kind regards

Susie Lohan and Jo Bergman (school nurses)
